1. A copy of the application needs to be filed with the Office of the County Clerk in the counties in which the proposed permit area is located no later than the first day of publication. **THIS COPY SHOULD BE REMOVED FROM THE COUNTY CLERK'S OFFICE AFTER PERMIT APPROVAL. Immediately following filing, submit an affidavit of filing from the Office of the County Clerk to the Land Quality Division.**
2. Publish a notice in a newspaper of general circulation in the locality of the proposed operation once a week for four (4) consecutive weeks (see sample format below).
3. Mail within five (5) days after the first publication as given in W.S. §35-11-406(j), (as amended in 1995), a copy of the application mine plan map to the Wyoming Oil and Gas Conservation Commission, PO Box 2640, Casper, WY 82602 or 2211 King Blvd, Casper, WY 82604.
4. On completion of publication submit a sworn affidavit from the newspaper and a copy of the notice to the Land Quality Division.
5. As soon as possible and several weeks before the end of the public comment period, submit a sworn statement of mailing to the Land Quality Division. Please use the example affidavit of mailing which is attached.

SAMPLE FORMAT FOR COAL TRANSFER

Public Notice

The (Company Name of Transferor/Applicant) of (Main Company Location) has applied for a coal mining permit transfer from the Land Quality Division of the Department of Environmental Quality of the State of Wyoming. Mining Permit No. _____ will be transferred to the (Company Name of Transferee) of (Name of Company Location). The mining permit is located in: (legal description of permit area - Section, Township, Range, County), Wyoming. The area is approximately (locate the area relative to the closest town and a natural landmark, i.e.: a water source or a physical attribute of the area - ex: road, cliff, mountain, canyon, gorge, desert, etc.). This area may be found on the _____ USGS quadrangle map(s). The operation began on (month and year) and is estimated to continue until (year). Information regarding the proposed permit transfer may be reviewed in the office of the Land Quality Division of the Department of Environmental Quality in Cheyenne and (Lander or Sheridan, Wyoming) or the (County Name) County Clerk's Office _____, Wyoming. Written objections to the proposed mining permit transfer must be received by the Administrator, Land Quality Division of the Department of Environmental Quality, 200 W. 17th Street, Suite 10, Cheyenne, WY 82002, before the close of business (Date 30 days after the last publication). The nature of any objection must relate to the ability of the new permit holder (transferee) to meet the obligations of the permit. The Director may hold an informal conference if requested, hear the complaint and take action on the application in accordance with the Department's Rules of Practice and Procedure. The complainants shall have a right of appeal to the Environmental Quality Council where the complaint will be heard a second time. A conference shall be held if the Director determines that the nature of the complaint or the position of the complainants indicates that an attempt to informally resolve the disputes is preferable to a contested case proceeding. An informal conference or a public hearing shall be held within twenty (20) days after the final date for filing objections unless a different period is stipulated to by the parties. The Council or Director shall publish notice of the time, date and location of the hearing or conference in a newspaper of general circulation in the locality of the proposed operation once a week for two (2) consecutive weeks immediately prior to the hearing or conference. The hearing would be conducted as a contested case in accordance with the Wyoming Administrative Procedure Act (W.S. §16-3-101 through §16-3-115), and the right of judicial review shall be afforded as provided in that Act. The Wyoming Oil and Gas Conservation Commission will be mailed a copy of the application mine plan map as required in W.S. §35-11-406(j).
